

Storyboard Overview

Login (1)

A screenshot of a Java Swing window titled "Login (1)". The window's title bar includes a standard Mac OS X icon, the text "Login.fxml", and standard window controls (minimize, maximize, close). The main content area has a light gray background. Centered in the upper half of the window is the text "Photos App". Below this, the label "Enter Username:" is positioned to the left of a white text input field with a thin blue border.

Rename Album(8)

A screenshot of a software dialog box titled "Rename Album(8)". The dialog box has a title bar with a small orange icon, the text "RenameAlbumPopup.fxml", and standard window controls (minimize, maximize, close). The main content area is light gray and contains the text "Enter renamed album" above a white text input field. Below the input field are two buttons: "Accept" (highlighted with a blue border) and "Decline" (disabled, with a gray border).
